2007 OREGON HIGH SCHOOL RACQUEBALL ALL-STATE AWARDS ANNOUNCED

Portland, Ore. – Today the Oregon High School Racquetball League announced the recipients of its 2007 All-State Awards. The awards are based on performance at the 2007 Oregon High School Racquetball State Championships, held last weekend at Multnomah Athletic Club in Portland and Griffith Park Family YMCA in Beaverton. It is possible for a player to double qualify for the All-State Team based on their performance in singles and doubles. If a player double qualifies in positions on two different All State Teams, they are awarded the spot on the higher team.

The event featured more than 930 matches played by 230 students from 27 Oregon high schools.
